Student Scholarship Application

Dear Family and Student,

Colorado HorsePower understands the financial responsibilities typically associated with individuals who have special needs and challenges they place upon families and students. We strive to keep our program costs low and affordable for all. Colorado HorsePower realizes there are times when such treatment costs are difficult. We offer a scholarship program to help families and students who need financial support. Scholarships are generously funded by sponsorships and are available on a limited basis. To help make our limited funds go as far as possible, we respectfully request that families and students share as much of the cost as possible.

Scholarship applications will be reviewed by our Board of Directors. Decisions are based on financial need, amount available in the fund, and the number of families and students applying for scholarships. Families and students are required to continue to pay a portion of the cost; no 100% awards are made. If you have any questions regarding Colorado HorsePower's Student Scholarships, please contact our Board President: Lynette Roff at 303-260-9155 or info@coloradohorsepower.org

Eligibility Requirements

- The scholarship will be withdrawn if the student has more than one “no show” or more than two absences with prior notification in any 8-week session
- If a scholarship is withdrawn, the student will not be eligible for a scholarship for six months
- Colorado HorsePower asks families and students to investigate other funding resources before applying for a scholarship
- Only full-time riders and riders in group classes are eligible for scholarships
- If you are receiving funding from another source you are not eligible for a scholarship
- If a family or student's ability to increase their portion of payment occurs, they are to notify Colorado HorsePower

Sincerely,

Colorado HorsePower, Inc.

I understand Colorado HorsePower's scholarships are awarded based on financial need, amount available in the fund, number of families and students applying for scholarships. I understand that my application will not guarantee a scholarship. I understand a scholarship may be withdrawn at the discretion of the Board of Directors if the student has more than one "no show" or more than two absences with prior notification in any 8-week session, and this will result in the student not being eligible for a scholarship for six months. Absences must be reported at least 15 minutes before the start of the class. I understand if we are receiving any other funding to help pay, we are not eligible for a scholarship. I agree to let Colorado HorsePower know if we are able to pay more.
